SCHOOL NEWS

HIGH SCHOOL

The members of the senior girls' basketball team have earned enough points for their letters by defeating their junior and sophomore opponents. The girls feel indordinately proud, as the letters will be the first presented by the Torrance High School Girls' Athletic Association.

EVENING HIGH SCHOOL

The evening high school has made plans for an intensive term of instruction in the various classes to run until June 25. The various teachers have outlined of work to care for people entering classes now.

Commercial: Beginners in typing—learn keyboard and proper fingering. Advanced typists—time in which to improve your typewriting, both in speed and accuracy. Study the basic principles of bookkeeping, review the shorthand manual and get speed dictation. The time expended will amply reward you in the form of increased efficiency and salary.

Dressmaking: Ladies, get your summer wardrobe ready for that vacation. The sewing class is here to help you. From now until the end of the term we will specialize in sport wear, so come and get instruction in the latest sport wear and summer togs.

Women's Gym: Spring is here and with it the tired, spring fever feeling. But those in the evening class have a remedy that tired feeling. They come all worn out from a hard day's work, and after working another hour and a half they leave all rested up. Ask any class member. It doesn't seem possible, but just ask. The work consists of a series of interesting free floor gymnastic exercises, folk dancing, and games. Comfortable dressing rooms and hot and cold showers are available for everyone.

Woodshop: Instruction given in wood turning, furniture and cabinet making and machine woodwork. Opportunity is offered for practical application. Instruction given on useful and artistic articles of furniture for the home, as floor lamps, radio tables, radio cabinets, writing desks, etc. Instruction is given in designing, and up-to-date patterns are used. This is a practical way to spend a part of your leisure time.

Autoshop: A course in automobile repairing is now available for the balance of the term for a limited number of new students. This course, if taken, will prove invaluable to any car owner or prospective entrant into the trade. The shop will be open Monday, Wednesday and Friday of each week till the end of June, if enough car owners enroll.

The demonstration of salads made on Monday in the cookery class was a great success. Twenty-five women attended. It is intended to have a cake demonstration soon, followed by a cake contest. Details will be given through the newspaper later.

ELEMENTARY SCHOOL On Friday the teachers gave a luncheon in honor of Mrs. Clarice Mais, teacher of the B6 and A6 room, who has been forced to resign from her work because of ill health. Mrs. Mais has made many friends among both pupils and faculty who were sorry to see her leave.

Miss Volney Henderson has been assigned to teach the room left vacant by Mrs. Mais' resignation.

Mrs. D. W. Hoge of Arlington avenue, who underwent an operation at the Torrance Hospital, has returned to her home and is recovering rapidly.

Miss Mary Louise Poyet has been assigned to the foreign room, formerly taught by Mrs. Ellen Rundell. Miss Poyet has moved to Torrance. In addition to regular class work she supervises the work of the nutrition class.

Short session was held on Monday to permit the teachers to attend the funeral of Mrs. Ellen Rundell, who died last Thursday. Mrs. Rundell taught in the school during the first semester and was loved and esteemed by all who came in contact with her in her work. Her keen sympathy soon won an enviable place in the hearts of the foreign children under her supervision, and her death caused them to feel a real and terrible loss.

The local track meet of the school was held on the high school grounds on Friday morning. Assisted by high school boys, the various events were run off with great success. Miss Mabel Ella Brown, playground director, was assisted also by Mr. Reeves, garden teacher, and Mr. Clark, assistant supervisor of physical education in the Los Angeles city schools. The winners in the different events will go to Gardena on May 20 to represent Torrance against five surrounding schools.
